Operation

Pairing the first mobile device to the speaker

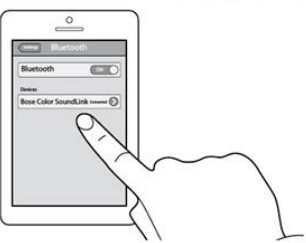

After you select a language, the SoundLink® Color speaker will be ready to pair with your mobile device.

The Bluetooth indicator blinks blue, and the voice prompt says, "Ready to pair".

1. On your mobile device, make sure Bluetooth is on.
(The Bluetooth menu is usually found in the Settings menu.)

2. Select Bose Color SoundLink from the device list.
The Bluetooth indicator glows solid white and the voice prompt says, "Device connected".

Note: Some devices may require a passcode. Enter 0000 if prompted.

Pairing another mobile device

1. With the speaker and the mobile device both on, press and hold  until the Bluetooth indicator blinks blue and the voice prompt says, "Ready to pair another device".

2. On your mobile device, make sure Bluetooth is on.
(The Bluetooth menu is usually found in the Settings menu.)

3. Select Bose Color SoundLink from the device list.
The Bluetooth indicator glows solid white and the voice prompt says, "Device connected".

Note: Some devices may require a passcode. Enter 0000 if prompted.

Note: The speaker's memory can hold up to eight paired devices.
See "Speaker Memory" on page 11 for more details.
